
GENERATOR RENT

- Our rental generator range offers solutions with power ranking from 1kW up to 1MW.

- Generators are the main solution in case of power failure, power outage or absence of any power support. Our rental generator range offers solutions with power ranking from 1kW up to 1MW. For clients demanding particularly quiet environment, we can offer ultra silent generators with a noise level of ~57 dBA. We provide full service, equipment delivery and technical support.
