
WELDING AND METALPROCESSING

➤ We offer wide range of welding and metalworking services.

➤ Company

We commenced in 2018 with three specialists and a turnover of 146,000 euros. By 2021, we grew to 15 specialists and achieved a turnover of 1 million euros. We possess modern equipment for perforating and bending metal sheets, experienced specialists in welding, as well as in powder coating and sandblasting.

Certificates

We are a company that highly values quality, as demonstrated by our previous projects and collaborations. However, we are actively working to continue improving. We are certified under EN 1090.
