
SHOOTING TARGETS AND BULLET RECEIVERS

- High-class targets for military units. We build targets, poppers, and bullet receivers to accommodate rimfire handguns and machine guns. Fully Latvia-made product.

- Our experience in both the steel fabrication industry and shooting in spare time enables the application of this unique combination of knowledge to create products that are practical, affordable, and exceptionally durable. In 2017 Element Fitness has started creating high-class targets for military units as a part of the custom orders. We build targets, poppers, and bullet receivers to accommodate rimfire handguns and machine guns. Fully EU-made product.
