# MOBILE TACTICAL TRAINING CAMP

---

- The mobile tactical training camp converts into a portable pull-up rack and Olympic Lifting Stand with monkey bars and dip bars - it has room to carry battle ropes, bodyweight straps, rings, and a variety of other fitness accessories for making a perfect training spot in the field.

- The mobile tactical training camp converts into a portable pull-up rack and

Olympic Lifting Stand with monkey bars and dip bars - it has room to carry battle ropes, bodyweight straps, rings, and a variety of other fitness accessories.

The training camp fits easily in the back of a 4x4 and can be carried by two people. It is assembled with ease in less than 15 minutes. Multiple boxes can be connected in back-to-back or side-by-side configurations to accommodate larger groups and more complex structures for the group training.

This product comes fully equipped with J-cups, dip bars, attachments for the grip training and plenty of pull up bars.
